MUZTAG OUTDOOR FIRES LTD. ARE A NEW, INNOVATIVE COMPANY INTRODUCING A RANGE OF ORIGINAL, STYLISH OUTSIDE HEAT SOURCES.

Based in the South West of England, we specialise in the manufacture and distribution of outdoor gas fires.

Using over 30 years experience in the gas fire and stove industry, we offer a selection of aesthetically pleasing gas fire products with emphasis on functional and visual excellence.

We have various options available to cater for domestic and commercial customers. Our products are spectacular and a real show piece in any environment.

ALL OF OUR PRODUCTS ARE CE APPROVED, WITH SAFETY AS PARAMOUNT, AND HAVE BEEN DESIGNED, DEVELOPED AND MANUFACTURED IN ACCORDANCE WITH OUR TARGET MARKET.

We have new projects already underway and will continually invest into research and development.

Muztag Outdoor Fires Ltd will be visiting several exhibitions this year and would like to welcome distributors and consumers alike to join us.

We are extremely excited to have exclusive rights to this completely new range of products that we are sure will ignite people's imagination and prove to be a real success.

GAS & REGULATORS

All of our appliances can be used with bottled Propane or Butane. We provide, as standard, a 27mm Clip-On Regulator suitable for Propane to 37mBar pressure. This is suitable for most domestic Propane gas cylinders available at garden centres, retailers and gas suppliers.

All products are CE Approved for full compliance.

WARRANTY & SPARE PARTS

Our products come with 12 month manufacturers' warranty. However, if something gets lost or broken or needs a replacement there are spare parts available to buy. These are detailed in the instruction manuals and can be found on our website.
